The Shadow Queen

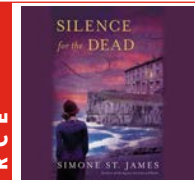

by Sandra Gulland • Reader to be announced

The Shadow Queen is a seductive, gripping novel about lust, power, loyalty, and the increasingly uneasy relationship between two strong-willed women whose actions could shape the future of France.

Paris, 1660. As the daughter of itinerant actors, Claudette always thought her future lay in the theater. But a series of chance encounters pulls her into the orbit of Athénaïs de Montespan, the mistress to Louis XIV. Impetuous Athénaïs wields a disconcerting amount of power—a fact that has ruffled many of the Sun King's key advisors. Needing someone to act as her eyes and ears, Athénaïs hires Claudette as a personal attendant. She fears political enemies are plotting her ruin while young courtesans angle to take the coveted spot in the king's bed. As Athénaïs begins to lose her grip on the Sun King, her plots and fascination with the magical arts take a dark turn.

The Target

The Will Robie Series, Book 3

by David Baldacci

Reader to be announced

The next blockbuster thriller from #1 *New York Times* bestselling author David Baldacci, featuring assassin Will Robie

The President knows it's a perilous, high-risk assignment. If he gives the order, he has the opportunity to take down a global menace, once and for all. If the mission fails, he would face certain impeachment, and the threats against the nation would multiply. So the president turns to the one team that can pull off the impossible: Will Robie and his partner, Jessica Reel.

Together, Robie and Reel's talents as assassins are unmatched. But there are some in power who don't trust the pair. They doubt their willingness to follow orders. And they will do anything to see that the two assassins succeed, but that they do not survive.

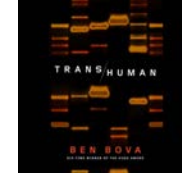

As they prepare for their mission, Reel faces a personal crisis that could well lead old enemies right to her doorstep, resurrecting the ghosts of her earlier life and bringing stark danger to all those close to her. And all the while, Robie and Reel are stalked by a new adversary: an unknown and unlikely assassin, a woman who has trained her entire life to kill, and who has her own list of targets—a list that includes Will Robie and Jessica Reel.

“Baldacci is a master when it comes to writing about small-town conspiracies and a lone hero who fights against all odds to clean up corruption.”
