WHERE DEAD MEN MEET BY MARK MILLS

A return to the period adventure thriller in *Where Dead Men Meet* reestablishes Mark Mills as a master storyteller for fans of William Boyd, Charles Cumming, or Robert Harris

Paris, 1937. Luke Hamilton—a junior air intelligence officer at the British Embassy—finds himself the target of an assassination attempt. A clear case of mistaken identity—or so it first appears. As Luke is hunted across a continent sliding toward war, he comes to learn that the answers lie deep in a past that predates his abandonment as a baby on the steps of an orphanage twenty-five years ago.

From the author of the bestselling *The Savage Garden*, and set against a terrific backdrop of Europe on the cusp of the Second World War, this is a compelling novel, rich in adventure, espionage, secrets, and lies.

"The best novel I read this year. *Where Dead Men Meet* is an exhilarating and hair-raising charge through pre-war Europe...A powerful tale of revenge, love, and self-discovery."

—MARK PRYOR, AUTHOR OF *THE PARIS LIBRARIAN*

"A grand adventure, in the tradition of Graham Greene's 'entertainments,' and John Buchan's before that."

—JOSEPH FINDER, *NEW YORK TIMES* BESTSELLING AUTHOR

Infinite Tuesday

An Autobiographical Riff
by Michael Nesmith
Read by Michael Nesmith

The long, strange journey of Michael Nesmith is as fascinating as it is as was fraught—from fleeing Dallas as a young man to gaining international fame as a member of the Monkees to falling deep into the grips of

what he calls Celebrity Psychosis to finally achieving inner peace. Nesmith spins a spellbinding tale of an unexpected life, in which his stories trace an arc from Hollywood to Silicon Valley, illuminating a remarkable mind along the way.

The Chamberlain Key

Giving It All Away... and Getting It All Back Again

The Way of Living Generously
by David Green, with Bill High
Reader to be announced

David Green believes that generosity and building a legacy based on giving can lead to getting back what you really want: a family that stays together, prays together, and

shares life joyfully. Green tells the story of caring for the small things and starting Hobby Lobby in their garage. He shares the difference between the worlds of "having and hoarding" and a world of "giving and generosity," the principle of working for God and not for men, and that now is not too soon to consider what you want your legacy to be.

It's Up to the Women

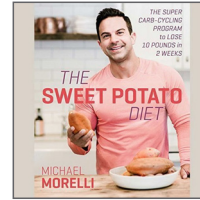

by Eleanor Roosevelt
Introduction by Jill Lepore
Read by Suzanne Toren

Written at the height of the Great Depression, *It's Up to the Women* is Eleanor Roosevelt's advice to women of all ages on life and leadership. Roosevelt was among the earliest and most influential people of the time to

compile such a wide-ranging treatment of the roles women should take in both private and public life. Her opinions about women's equality, civil rights, and a higher standard of education in the United States were ahead of her time.

Dreams before the Start of Time

by Anne Charnock • Read by Susan Duerden and Derek Perkins

In a near-future world, infertility is a thing of the past. Anyone can create a child. Artificial wombs have eliminated pregnancy. But what now does it mean to be a parent? A child? A family?

"A smart, subtle exploration of human emotion and intelligence."

FALSE FLAG

BY JOHN ALTMAN

In *False Flag*, Israeli-born Dalia Artzi, a tactical genius and specialist at Princeton in the study of maneuver warfare, uncovers a fiendish plot by a small group of Israeli fanatics to commit a horrific crime against the United States government and pin the blame on Iran. At first, Dalia, a pacifist, is hesitant to get involved. But, strong in her Jewish faith, she believes that the goal of her religion is not to crush one's enemies but to practice *tikkun olam*, to repair the world. Soon Dalia has little choice but to act quickly and do what she must to prevent the unspeakable.

Meanwhile, Jana, a beautiful but deadly Israeli operative taking orders from the conspiring fanatics, is determined to deftly fulfill the deadly mission entrusted to her. Once the plot has been carried out, Jana and the commanders of her mission believe that Israel's enemies will meet with total destruction when the world's most powerful nation retaliates. Jana is firm in her conviction that she is on the side of right and believes the ends will justify the means, however violent.

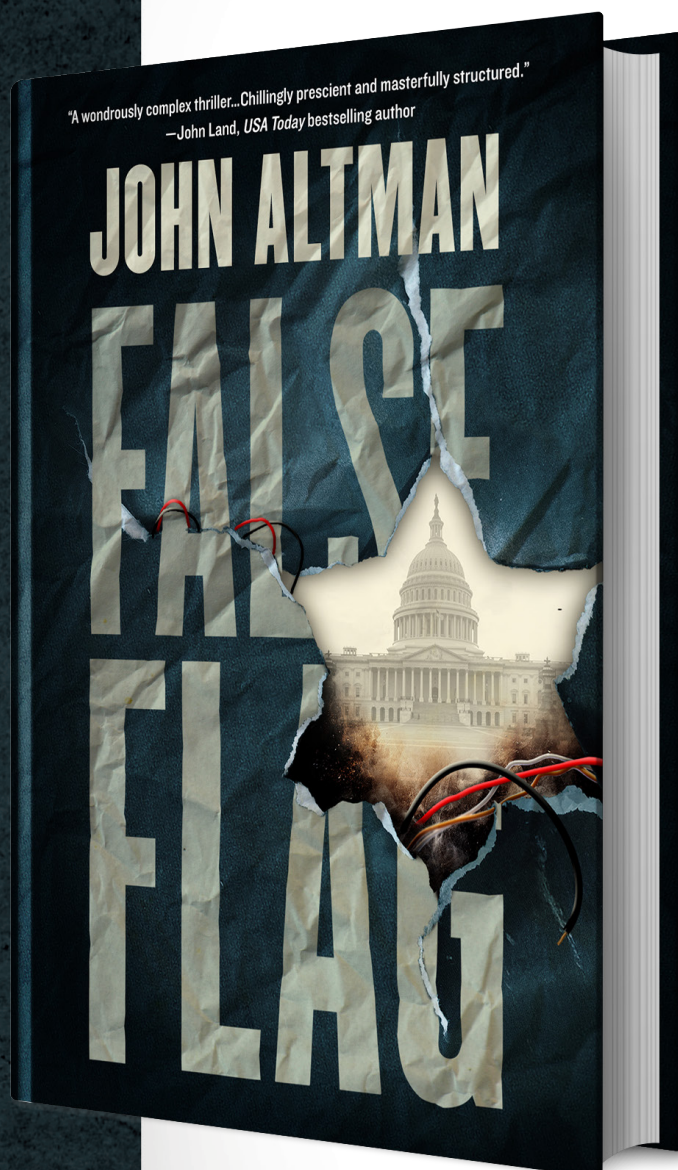

Centered on a fascinating and original Israeli heroine and antiheroine, *False Flag* probes some of the most important political and moral conflicts of our times.

"With complex characters possessed of hard edges, this intelligent and delectable story is sophisticated, razor-sharp, and definitely one for your keeper shelf."

—STEVE BERRY, NEW YORK TIMES BESTSELLING AUTHOR

"A wondrously complex thriller...Chillingly prescient and masterfully structured."
