DISTRESS SIGNALS

A Novel

BY CATHERINE RYAN HOWARD

The day Adam Dunne's girlfriend, Sarah, fails to return from a Barcelona business trip, his perfect life begins to fall apart. Days later, the arrival of her passport and a note that reads, "I'm sorry—S" sets off real alarm bells. He vows to do whatever it takes to find her. Adam is puzzled when he connects Sarah to a cruise ship called the *Celebrate*—and to a woman, Estelle, who disappeared from the same ship in eerily similar circumstances almost exactly a year before. To get answers, Adam must confront some difficult truths about his relationship with Sarah. He must do things of which he never thought himself capable. And he must try to outwit a predator who seems to have found the perfect hunting ground.

"An exhilarating debut thriller from a hugely talented author. *Distress Signals* is fast-paced, twisty, and an absolute joy to read."

—MARK EDWARDS,
BESTSELLING AUTHOR OF *THE MAGPIES*

"[An] engaging, unusual, and believable thriller."
