Remnants of Tomorrow

The Ashes Trilogy, Book 3
by Kassy Tayler
Read by Nicola Barber
EXCLUSIVE

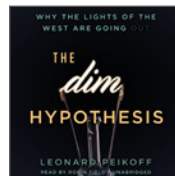

Wren must battle the forces that want to enslave her, and the foolish whims of her own heart, to free her world and finally find where she belongs.

Wren is in the last place she ever wanted to be: back inside the dome, a prisoner of her father, the Master General Enforcer. After a harrowing escape attempt and finding Levi trapped in a cell, Wren's world is further turned upside down by what could be Pace's ultimate betrayal.

The DIM Hypothesis

Why the Lights of the West Are Going Out

by Leonard Peikoff
Read by Robin Field
EXCLUSIVE

In his groundbreaking and controversial book *The DIM Hypothesis*, Dr. Leonard Peikoff casts a penetrating new light on the process of human thought and thereby on Western culture and history.

In this far-reaching study, Peikoff identifies three methods people use to integrate concrete data into a unified system, which he terms integration, misintegration, and disintegration. Applying these categories to the fields of literature, physics, education, and politics, he predicts the most likely future for the United States.

Making Sense of the Bible

Rediscovering the Power of Scripture Today

by Adam Hamilton
Read by Sean Runnette

Adam Hamilton, one of the country's leading pastors and Christian authors, shows readers how to understand and interpret the Bible.

Christian denominations continue to experience deep divisions over universal social issues. The underlying debate isn't about the particular social issue but about the "authority of the Bible." Adam Hamilton here addresses the key questions that plague the church and cultural debate.

Things I Should Have Told My Daughter

Lies, Lessons & Love Affairs

by Pearl Cleage

Read by Pearl Cleage

In the tradition of greats like Susan Sontag, Joan Didion, and Nora Ephron, Cleage's self-portrait raises women's confessional writing to the level of great literature.

One of the most popular living playwrights in America, Pearl Cleage is also a bestselling author with multiple awards to her credit. But there was a time when such success seemed like a dream. In this revelatory and deeply personal work, Cleage takes readers back to the 1970s and '80s, retracing her struggles to hone her craft amid personal and professional tumult. She charts not only political fights but also the pull she began to feel to focus on own passions—a pull that led her away from her husband as she grappled with ideas of feminism and self-fulfillment. This fascinating memoir follows her journey from columnist to playwright and Hollywood scriptwriter, an artist at the crossroads of culture and politics.

“ Pearl Cleage's changes are many in this gift of record-keeping during the early, middle, and (a few glimpses at what may be) the later years of her life. The honesty and humor, insight, and determination to show up authentically is pure Cleage.”

Unlucky 13

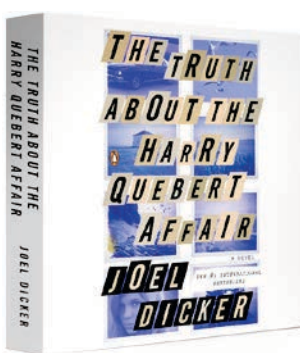

The Women’s Murder Club Series, Book 13

by James Patterson and Maxine Paetro

Read by January Lavoy

The Women’s Murder Club is stalked by a killer with nothing to lose.

San Francisco Detective Lindsay Boxer is loving her life as a new mother. With an attentive husband, a job she loves, and best friends who can talk about anything, things couldn’t be better. Then the FBI sends Lindsay a photo of a killer from her past, and her happy world is shattered. The picture captures a beautiful woman at a stoplight. But all Lindsay sees is the psychopath behind those seductive eyes: Mackie Morales, the most deranged and dangerous mind the Women’s Murder Club has ever encountered. In this pulse-racing, emotionally charged novel by James Patterson, the Women’s Murder Club must find a killer—before she finds them first.

The Truth about the Harry Quebert Affair

A Novel

by Joël Dicker

Translated by Sam Taylor

Reader to be announced

The Truth about the Harry Quebert Affair is a fast-paced tightly plotted, cinematic literary thriller and an ingenious book within a book by a dazzling young writer.

August 30, 1975. This is the day fifteen-year-old Nola Kellergan is glimpsed fleeing through the woods before she disappears—the day Somerset, New Hampshire, loses its innocence. Thirty-three years later, Marcus Goldman, a successful young novelist, visits Somerset to see his mentor, Harry Quebert, one of America’s most respected writers, and to find a cure for his writer’s block. But Marcus’ plans are upended when Harry is implicated in the cold-case murder of Nola Kellergan—whom he had an affair with. As the media convicts Harry, Marcus launches his own investigation, following a trail of clues through his mentor’s books, the backwoods and isolated beaches of New Hampshire, and the hidden history of Somerset’s citizens.

“If you dip your toes into this major novel, you’re finished: you won’t be able to keep from sprinting through to the last page.”

The Big Fat Surprise

Why Butter, Meat, and Cheese Belong in a Healthy Diet

by Nina Teicholz • Reader to be announced

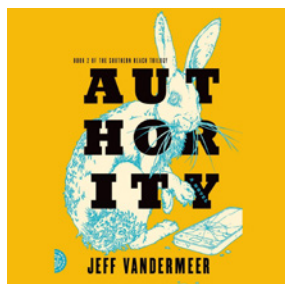

Dish up the red meat eggs and whole milk! In this well researched and captivating narrative veteran food writer Nina Teicholz proves how everything we've been told about fat is wrong.

For decades, Americans have cut back on red meat and dairy products full of “bad” saturated fats, yet the nation's health has declined. What is going on? In *The Big Fat Surprise*, Teicholz reveals how sixty years of nutrition science has gotten it so wrong. With a lively narrative style and scientific rigor, she convincingly upends the conventional wisdom about all fats.

A Novel

The Southern Reach Trilogy, Book 2
by Jeff VanderMeer
Read by Bronson Pichot

The bone-chilling, hair-raising second installment of the Southern Reach Trilogy

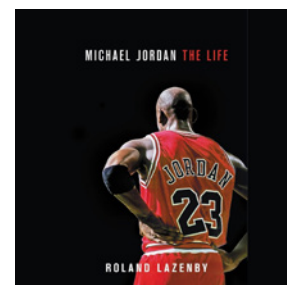

For thirty years, a secret agency called the Southern Reach has monitored expeditions into Area X—a remote and lush terrain mysteriously sequestered from civilization. After the twelfth expedition, the Southern Reach is in disarray, and John Rodriguez (a.k.a. “Control”) is the team's newly appointed head. From a series of interrogations, a cache of hidden notes, and more than two hundred hours of profoundly troubling video footage, the secrets of Area X begin to reveal themselves—and what they expose pushes Control to confront disturbing truths about both himself and the agency he's promised to serve.

The Directive

A Novel

The Mike Ford Series, Book 2

by Matthew Quirk

Read by Jay Snyder

Two brothers, millions of dollars—and the heist of a lifetime

After escaping the corrupt back rooms of Washington, DC, Mike Ford is again playing a dangerous game—this time the stakes are even higher.

Mike's brother is in over his head in a powerful conspiracy to steal a secret worth billions of dollars from the little-known but unbelievably influential trading desk at the Federal Reserve Bank of New York. In an effort to help, Mike soon finds himself trapped by the dangerous men in charge—and forced to call on all the skills of his criminal past in order to escape.

In this sharp, pulse-pounding sequel to *The 500*, Mike Ford again stars as the cunning and courageous ex-con man with a big heart, and Matthew Quirk confirms that he is one of the most exciting thriller writers at work today.

A stunning new novel from the Man Booker shortlisted author of *The Secret Scripture*

Jack McNulty is a “temporary gentleman”—an Irishman whose commission in the British army in WWII was never permanent. Sitting in his lodgings in Accra, Ghana, in 1957, he's writing the story of his life with desperate urgency. He cannot take one step further without examining all of the extraordinary events that he has seen. A lifetime of war and world travel—as a soldier in WWII, an engineer, a UN observer—has brought him to this point. But the memory that weighs heaviest on his heart is that of the beautiful Mai Kirwan and their tempestuous marriage. Mai was once the great beauty of Sligo, a magnetic yet unstable woman who, after sharing a life with Jack, gradually slipped from his grasp.

For those who loved *New York Times* bestseller *Rin Tin Tin* comes the memorable story of Sergeant

Stubby—World War I dog veteran, decorated war hero, and American icon.

Told for the first time, here is the story of a stray dog who became affectionately known as Sergeant Stubby, the most famous war dog of World War I. It is an epic tale of how man's best friend became an invaluable soldier, a decorated war hero, and an inspiration to an entire nation.

New York Times bestselling author

KARIN SLAUGHTER

COP TOWN

A NOVEL

The critically acclaimed and *New York Times* bestselling master of suspense delivers her first stand-alone novel, a thrilling tale of crime and struggle set in Atlanta in the mid-1970s.

Atlanta, 1974. It's Kate Murphy's first day on the job, and the Atlanta Police Department is seething after the murder of an officer. Before the day has barely begun, she already suspects she's not cut out to be a cop. Her male uniform is too big, she can't handle a gun, and she's rapidly learning that the APD is hardly a place that welcomes women. Worse still, in the ensuing manhunt, she'll be partnered with Maggie Lawson, a cop with her own ax to grind (and a brother and uncle already on the force)—a strategy meant to isolate Kate and Maggie from the action. But the move will backfire, putting them right at the heart of it.

KARIN SLAUGHTER

is the *New York Times* and #1 internationally bestselling author of over a dozen thrillers, including *Fallen*, *Broken*, *Undone*, *Fractured*, *Beyond Reach*, *Triptych*, and *Faithless*. A longtime resident of Atlanta, she splits her time between the kitchen and the living room.

Stormy Persuasion

The Malory-Anderson Family Series, Book 11
by Johanna Lindsey
Reader to be announced

#1 New York Times bestselling author Johanna Lindsey returns to the dazzlingly passionate world of the Malorys in a thrilling new tale of unbridled desires.

James Malory sets sail for America to honor a promise: his daughter, Jacqueline, will have her come-out in America. Judith, Jacqueline's cousin and best friend, delays her own debut to accompany her cousin. Neither girl intends to fall in love during her first season, but Judith's plans are overturned when she comes face-to-face with the ghost who has been haunting her dreams.

“The Malorys are the family everyone wishes they had, so returning to their world is like entering a bit of heaven. The way Lindsey expertly writes a seductive battle-of-wills love story is magic; love, laughter, adventure, and passion collide.”

Redeeming the Dream

The Case for Marriage Equality

by David Boies and Theodore B. Olson
Reader to be announced

The riveting inside story of the Supreme Court's landmark rulings on the Defense of Marriage Act and Proposition 8—by the two lawyers who argued the case.

On June 26, 2013, the US Supreme Court issued two landmark decisions, striking down the Defense of Marriage Act and eliminating California's discriminatory Proposition 8, thereby reinstating the freedom to marry for gays and lesbians in California. This is the story of how David Boies and Theodore B. Olson—who argued against each other all the way to the Supreme Court in *Bush v. Gore*—joined forces to forge the unique legal argument that would carry the day. As allies, they tell the fascinating story of the five-year struggle to win the right for gays to marry, from Proposition 8's adoption by voters in 2008 to its defeat before the highest court in the land.

“Forget the Colosseum and the lions. Boies has the daring of a gladiator.”

New York Times bestselling author Richard North Patterson returns with the dramatic conclusion to the Blaine trilogy.

Two months after the suspicious death of his father, it is taking all of Adam Blaine's will to suture the deep wounds the tragedy has inflicted upon his family and himself. As the inquest into Benjamin Blaine's death casts suspicions on those closest to him, Adam struggles to protect them from those who still suspect his father was murdered by one of his kin. But the sternest test of all is Adam's proximity to Carla Pacelli—his father's mistress and a woman to whom Adam finds himself increasingly drawn. The closer he gets to this beautiful, mysterious woman, the further he feels from his troubles, yet the closer he also comes to revealing the secrets he's striven to conceal.

The Alliance

Managing Talent in the Networked Age

by Reid Hoffman, Ben Casnocha, and Chris Yeh
Reader to be announced

Redefining workplace loyalty for a more networked age

As individual workers become more entrepreneurial—managing their own careers, jumping from job to job, and assembling their own distinctive professional narratives—the burden is now on managers to keep an organization running. *The Alliance* addresses this very real challenge for both companies and their people. Written by an impressive trio of thinkers and doers, this book offers the first concrete advice on generating value for employees and companies in today's networked world. The authors propose a new framework that unearths opportunities for all parties involved in the pact, reflecting an optimistic view of future employee-employer relations.

Secrets of Sloane House

by Shelley Gray
Reader to be announced

One woman's search for the truth behind her sister's mysterious disappearance leads her to deceit and danger in 1893 Chicago.

Rosalind Perry has left her family's farm to work as a housemaid at Sloane House, one of the most elegant mansions in Gilded Age Chicago. But Rosalind isn't there just to earn a living—she's there determined to discover the truth about her sister's disappearance. Reid Armstrong is the handsome heir to a silver fortune, but his family is on the periphery of Chicago's elite, and marriage to Veronica Sloane would secure his family's position in society. But when Reid realizes Rosalind's life may be in danger, he concentrates instead on helping her. Dark things are afoot in Chicago and, he fears, in Sloane House. If he's not vigilant, Rosalind could pay the price.

Painted Horses

by Malcolm Brooks • Reader to be announced

Painted Horses reminds us that love and ambition, tradition and the future, often make strange bedfellows—and establishes Malcolm Brooks as an extraordinary new talent.

In the mid-1950s America was flush with prosperity though the West was still very much wild. In this incandescent debut novel, Brooks animates that time and untamed landscape in a tale of the clash of modern and the ancient, of love and fate, and of cultural heritage threatened by progress.

“Queen clearly is, after Poe, the most important American in mystery fiction.”

—Otto Penzler, Edgar Award-winning editor

ELLERY QUEEN is the pseudonym two cousins from Brooklyn used to write detective fiction. In their successful series, Ellery Queen served as both the authors' name and that of the detective-hero. The cousins also cofounded *Ellery Queen's Mystery Magazine*, one of the most influential English crime-fiction magazines of the twentieth century. They were given the Grand Master Award by the Mystery Writers of America in 1961.

The Hoke Moseley Novels

"No one writes a better crime novel than Charles Willeford."—Elmore Leonard

Miami Blues
A Novel
The Hoke Moseley Novels, Book 1
by Charles Willeford
Read by Stephen Bowlby
AVAILABLE 5/6 • EXCLUSIVE

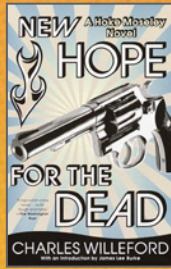

Chronically depressed, constantly strapped for money, always willing to bend the rules a bit, Hoke Moseley is hardly what you'd think of as the perfect cop, but he is one of the greatest detective creations of all time.

After a brutal day investigating a quadruple homicide, Detective Hoke Moseley is attacked in his hotel room by an unknown assailant. The few clues he has keep connecting to a dimwitted hooker, her ex-con boyfriend, and the bizarre murder of a Hare Krishna pimp.

THE HUNDRED-FOOT JOURNEY

by Richard C. Morais • Read by Neil Shah
Unabridged • Exclusive

When tragedy pushes Hassan Haji and his family out of India, they console themselves by eating their way around the world, eventually settling in a small French village. There they open an inexpensive Indian café opposite an esteemed French restaurant, setting off a culinary war.

THE HUNDRED-FOOT JOURNEY in theaters 8/8/2014
Starring Helen Mirren. Produced by Steven Spielberg and Oprah Winfrey

(6975) 9 hours • 7 CDs 978-1-4551-6667-1 \$76.00

“The novel’s charm lies in its improbability: it’s *Slumdog Millionaire* meets *Ratatouille*.”

— NEW YORK TIMES BOOK REVIEW

“Serious foodies will swoon. Morais throws himself into the kind of descriptive writing that makes reading a gastronomic event.”

— WASHINGTON POST
